Re: March 31, 2004 Information Request to DCWASA

Dear Ms. Donahue:

This memorializes our telephone conversation of this morning, in which the District of Columbia Water and Sewer Authority ("DCWASA") acknowledged receipt of the EPA's Information Request under Section 1445(a) of the Safe Drinking Water Act and expressed its intention to comply with that request. As we indicated, we are presently reviewing the 16 items requested to determine which responsive materials can be produced by April 21, 2004. To the extent we determine that certain categories of responsive materials cannot be produced by that date (or at all), we will comply with your instruction to contact you by telephone to discuss possible extensions and/or modifications of the applicable parts of the Information Request.

Sincerely,

Wendy Hartmann Moore  
Interim General Counsel
